

Karthik Yadatore

FSA, MAAA

Principal & Consulting Actuary

Current Responsibility

Karthik Yadatore is a principal and consulting actuary in Milliman's Seattle office. He joined the firm in 2010.

Professional Work Experience

Karthik has expertise in areas of financial reporting, product pricing, mergers and acquisitions, and expert witness testimony for annuities and life insurance products. He has managed and contributed to several large modeling projects and is proficient in MG-ALFA.

Karthik has published several research papers and articles, presented at Society of Actuaries meetings and other actuarial forums, and he is a member of the American Academy of Actuaries' Annuity Reserve Working Group.

Prior to Milliman, Karthik worked at ING in its Retail Life and Retail Annuity business divisions.
